Dear Jonathan Alder Choral & Band Parents,

On behalf of the Jonathan Alder Music Boosters (JAMB), we would like to welcome you to the 2019-2020 school year! JAMB is a volunteer organization whose objective is to support the activities of the Jonathan Alder band (grades 5-12) and choral (grades 7-12) programs. A large portion of this support is fundraising with 100% of the proceeds raised being reinvested directly back into our kids. These funds fulfill our Directors' "wish lists" for instruments, uniforms, sound equipment, and supplies in addition to providing scholarships for graduating seniors. We achieve these goals through the generous financial support from great parents and community members like you. Your continued commitment and engagement in our fundraising efforts will allow us to succeed again this year.

An equally crucial portion of our service to the students are the many volunteer activities we perform. It is only through our volunteers we can continue to flourish and provide for our students and the programs. The opportunities to serve are endless and as our seniors graduate, it is always a challenge to engage new parents and volunteers. We ask that you strongly consider seeking out ways you are able to contribute toward helping our students through your time and volunteering in the booster organization. We also encourage you to engage other families and friends with students in the program to get involved including your own students. We have many current volunteer needs on the concession stand, special events, dinner theatre, scholarship, and Sugar Plum Lane committees. For additional information on any of these opportunities please contact any of the booster's executive officers listed below.

On behalf of the Jonathan Alder directors, choir and band members, and the JAMB executive officers, thank you for helping us enrich our music programs. We look forward to seeing everyone at the events throughout the year. We encourage all families to follow our social media communication platforms including the JAMB Facebook page, getting included on the Mailchimp account for email newsletters, and visiting our JAMB website page (www.jamb-arts.org/music-boosters.html)

Here is to another successful performing arts year and GO ALDER!

Sincerely,

Russ White, President
Kristin Tillyer, VP of Bands
Hilary Frambes, VP of Choirs
Tiffany Eudaily, Secretary
Kristina Wright, Treasurer
